Dated:- 23.08.2017

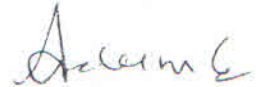

**CIRCULAR**

**Subject:- Implementation of Goods & Service Tax (GST) in CCW.**

The Prasar Bharati is issuing guidelines for compliance of GST provisions in Prasar Bharati. Following points are brought to the notice of DDOs in CCW for information.-

- 1) All DDOs will intimate their name, mobile number, phone number and their email address and office details to State Nodal Officers. Any query on GST may be sent to SNO who will forward it to ZNO.
- 2) DDOs will give all vender details including GSTINs of vendors in proper format to concerned state Nodal Officers.
- 3) DDOs will intimate their (AIR/ DD) GSTINs to vendors. All registered vendors will mention their GSTINs as well as AIR's/ DD's GSTIN on invoices of inward supply of Goods/ Services so that AIR/ DD can avail input tax credit.
- 4) Keeping in view the provision of GST Act, DDOs will write letters to vendors/ contractors to bring down their rates under anti profiteering clause in respect of existing contracts. For this Prasar Bharati circular F.NO.PB-7(14)(1)/2016-Fin/GST/105/60 dated 08.08.2017 may be referred.
- 5) All DDOs will submit GSTR-2 (details of inward supplies of Goods/ Services) to state Nodal Offices in Excel Sheet and in proper formats within prescribed time by Prasar Bharti.
- 6) All DDOs will keep track of PB/ AIR circulars relating to GST, which are posted on respective websites from time to time.

7) For inward supplies of Goods and Services, the vendors will submit GST compliance invoices which will bear the invoice number, address and GSTIN number of the supplier as well as GSTIN number and address of DDOs. Vendors are also required to file their outward supply details in GSTR-1 on GSTN portal. The DDOs will make due payment including GST to suppliers and send details of invoices to SNOs, so that Prasar Bharati may avail input tax credit. It may be noted that in case of failure of the supplier to file invoice details in GSTN portal, the input tax credit availed by Prasar Bharati will be reversed.
